

PARSONS
Scholarship Application

PARSONS STUDENT SCHOLARSHIP OPPORTUNITY

Interested in learning? Want to grow your capabilities? Indigenous? If you answered yes to these questions, then consider applying for the Parsons Giant Mine Remediation Project (GMRP) scholarship. Your academic and personal achievements and your willingness to learn could earn you a \$10,000 scholarship.

Parsons is providing one (1) scholarship valued at \$10,000 to a student enrolled in a recognized post-secondary institution studying:

- Office Administration
- Business Administration
- Currently in or preparing for an Apprenticeship; or
- in a program that prepares you for work as a construction manager, project estimator, or project management professional

The successful scholarship applicant will be eligible for financial support in the 2019-2020 academic year. Apply now for the Parsons student scholarship. It is open to all Indigenous Yellowknife and Tlicho area students.

Enrollment	Potential Work Opportunities with the MCM or its Sub-contractors
<ul style="list-style-type: none"> • Course work to complete Business Administration/Certification Program • Office administration Certificate Program (1yr), Diploma (2yrs.) 	<ul style="list-style-type: none"> • Office administration • Contracts administrator support • Office assistant
<ul style="list-style-type: none"> • Prequal requirements for external certified Programs 	<ul style="list-style-type: none"> • Estimator • Project Manager • Construction Management
<ul style="list-style-type: none"> • Enrollment at Aurora College apprenticeship programs 	<ul style="list-style-type: none"> • Skilled craft (trades) and experienced project labourers that would be in demand by local contractors

Scholarship Application

Applicant Form Information

First Name _____ Last Name: _____
Address: _____ _____
Phone (daytime): _____
Email: _____
Social Insurance Number: _____

Please answer the following questions

1. What are your career and education goals and how would this scholarship assist you in achieving these goals?
2. Please reflect on your personal and academic experiences and explain what about those experience (i.e. challenges and successes) makes you feel that you are worthy of this scholarship?
3. Considering that the intent of the scholarship is to lead to experienced project staff that would be in high demand from local area contractors as the GMRP unfolds, what role do you see yourself taking, and what qualities do you possess that would be most beneficial to a potential employer?

Applicant Assessment: Applicants will be assessed based on:

- Academic standing achieved
- Quality of application
- Quality of answers to the three questions

Applications will be reviewed by Parsons Scholarship Committee with the final decision being made by Parsons. By submitting this application, the applicant consents to the post-secondary institution the student attends sharing information about his/her attendance, academic standing and contribution to classes with Parsons.
